listen more than speak

Problem solver

Seek ing to gain skills

and learn new

Practical experiences

front-end developer

MINPLAN INTERNATIONAL

Denemark(remotely2023

- I joined the work team as a trainee in the front-end design
- It is dealt with as such, so that a meeting is held, and the engineer in charge describes the project and assigns the team members each person to work, and we are followed up and guided until we reach the desired result

front-end developer

UPWORK/ freelancer/2022

Talking to the client, arranging tasks, striving for client satisfaction, and obtaining a good evaluation, in addition to dividing and managing time well
